KAMAKASA

About

The 44.5m (146ft) KAMAKASA is the second hull in the Anlorenzo 44 Alloy Series. She has full aluminium construction and is built to ABS classification with naval architecture by the shipyard. Her contemporary exterior are by Zucon International Project and with a beam of 9.3m she offers 483GT of interior volume who is calling design by Zucon International Design.

Considerable deck space include the main deck with sun lounging aft, a lounge area, dining table, bar and another bank of sunpads forward. On a spacious upper deck aft there is more sunbathing aft and a second open-air dining option on a veritable deck space shaded by the overhang. Folding glass doors lead into a lounge with full-height glass and to the bank of sofas eating with a large TV on the forward bulkhead. Glazed bulkheads deliver exceptional views. Walkaround deck leads forward to a private owner's area on the foredeck complete with lounge, eating and a jacuzzi nestled among a raft of sunpads.

Lower deck leads down to the main lounge with access to the deck and a dayhead. Aft is the formal dining space and there is an open plan lounge aft of that. Full-height folding glass doors aft and either side combine with glazed bulkheads to bring the outside in. On the main deck aft is a lounge area partially shaded by the upper deck overhang, and a bank of sunpads. Steps lead down to the swim platform and each club to which there is also internal access. The teak-decked each club is a multipurpose space that features a bar, lounge and gym and the space is open on three sides with a swim platform aft and sea terrace port and starboard. The space is also a tender and to garage, launching to starboard on horizontal davit.

She accommodates 11 guests in five cabins. The owner's suite is split level. From the main lounge a door opens into a private study and steps lead up to the owner's lounge and down into the bedroom suite. The full-beam owner's suite has a hi-ceiling and a bathroom forward and a walk-in wardrobe. The lounge has a drop-down TV and exceptional views across the owner's foredeck jacuzzi and eating area, to which there is also private access. On the lower deck are three double bunks and one twin bunk with an additional berth.

Alongside the main tender in the each club there is a tender and to storage behind a main deck hull door to port. The 2,636hp MTU diesel engine give her a top speed of 21 knots, the cruise at 18 knots and has a maximum range of 2,000nm. Zero speed stabilisers ensure comfort at anchor on arrival.
