WELCOME ONBOARD

RISE has a magnetic appeal, with its clear, minimalist design standing out anywhere. Notable design features include the sleek dashboard and stainless steel fittings. Her expressive design is paired with a limitless comfort reflected in the expansive deck space with wide walkaround decks centered around a stylish and clearly arranged dashboard. RISE offers variety of amenities, including a convertible seating for dining or an extra-spacious sunbathing as well as a full-galley with sink, coffee machine and stocked fridge for champagne. The cockpit lounge area overlooks the spacious hydraulically operated bathing platform with a ladder and shower. The aft sunlounge covers enough storage for all the water-sports gear. Forward there are additional sun loungers rounding out an expansive deck space for the entire family.

Located forward, the smart seat design make sitting and standing at the helm station comfortable for three. The precise Volvo joystick control system ensures intuitive docking with the greatest of ease, while the frameless windshield provides the same unobstructed views from the helm as from the bow. RISE is also highly appointed with the top-of-the-range navigational instruments, including the Simrad Autopilot with electronic compass, additional multifunction display, and Simrad broadband HALO20+ radar. Her forward hydraulic anchor system guarantees easy deployment and allows for the anchor to be stylishly stowed when not in use. A touch of a button is all it takes to set the anchor, bathing platform, toy garage and bimini in motion.

INTERIORS

The interior is a blend of superb style and top-class materials and is bathed in natural light from various sources like portlights, large hull windows, and a skylight with an opening hatch. RISE is specially equipped with the highest possible entertainment packages on a Fjord 44, providing surround sound speakers and subwoofer system throughout the deck space. The spacious full-beam owner's cabin features a clean design and a sophisticated ambience. The owner's cabin comes with a double berth, one wardrobe and sideboard. Extra space was achieved by adding a cleverly hidden drawer underneath the bed as well as the vanity table can be opened to reveal more practical storage space.
