Layout

OVERVIEW

The vessel name "WABASH" is reserved.

Built by Benetti Yachts, Viareggio Italy in 2018, constructed of fiberglass this 132' tri-deck motor yacht, with exterior design by Stefano Righini and an interior by Francois Zuretti. Wabash is hull #10 of the popular Benetti Classic Supreme 132 model, built to and maintained in Rina classification (just completed her 5-year survey inspection 2023) and LY3 compliant. This yacht has an amazing layout for owner use and charter, having 6 luxurious staterooms that sleep up to 14 guests.

Her interior is light with contemporary décor, combining both light Eucalyptus with a satin finish, accented by high Gloss, Tay wood furniture pieces. Also known as Koto, an African dark wood, which is complimented by cream-colored leathers, fabrics, and cream marble slab flooring in select areas. The entire boat receives a lot of natural light, due to large floor-to-ceiling windows, giving a very spacious, relaxed, and open feeling throughout.

Her owner's full beam suite is located forward on the main deck. There are 4 staterooms below, 2 queens, 2 twins (each with Pullman), and 1 double berth stateroom on the skylounge deck, each with ensuite heads. The captain's cabin is just aft of the pilothouse with the balance of crew forward below. There is a boarding entry foyer to the starboard side for the owner and guests and crew entrance off the galley on the port side deck.

There is an abundance of outdoor gathering and dining spaces, including the aft deck with a large dining table, the Skylounge deck with L-shaped seating and a large under-cover round dining table, and the sun deck which also has a large dining area, with sectional seating, sun loungers and a large bar.

Her fold-down transom turns into an island for water sports, while there is yet another guest lounging area on the bow which offers a large inset Jacuzzi and lots of lounging space under removable sunshades.

Recent Work 2023

- Rina Classification (completed 5-year in 6/2023)
- Starboard engine complete rebuild (warranty until April 27, 2024)
- Port engine serviced (2,700 hours)
- Generators had a top-end and full service
- New oversized air-conditioning unit: Bitzer 4HE, 3 x182,299 BTU Each (new 2023)
- New flooring on main deck
- New carpet in staterooms
- New appliances
- New bottom paint
- New waste treatment system
- Rebuilt bow thruster
- Rebuilt windlasses
- All new thru-hulls installed
- Shafts pulled and serviced
- New engine room ventilation fans

MAIN SALON

Entering from the aft deck through large, curved glass electric doors leading is the main salon. To the port side is a bar and starboard is a buffet. As you move into the salon you are surrounded by large floor-to-ceiling windows with a sofa to the port and starboard side. The combination of wood accents of dark and light, satin and gloss combined with fabric textures add an elegant touch. Separating the salon from the dining is a narrow wood pop-up TV cabinet.

- White sofa to the port and starboard side, throw pillows
- (2) end tables
- Cocktail tables
- New wood floor (2023) grey wash
- Accent floor-to-ceiling display shelves
- Throw rug
- Overhead speakers
- Aft deck door with window treatments

Salon Bar

- Bar top
- Isotherm SS bar fridge
- Isotherm icemaker
- Stone top bar
- Sink with fixtures

DINING AREA

Forward of the dining area, there is a pocket door to the port side for galley service and a pocket door to the starboard leading to the guest entry foyer.

- Large wood dining table
- (10) Dining chairs
- Buffet storage floor to ceiling on forward bulkhead
- Large floor-to-ceiling windows to the port and starboard side
- LED overhead lights
- Overhead speakers

DAY HEADS (2)

One day head is located on the main deck, starboard side boarding entry foyer. The second day head is located on the skylounge deck, aft of the wheelhouse.

- Villeroy & Boch sink with storage underneath
- Mirror
- Slab Marble floor
- Head
- Toilet paper holder
- SS towel holder
- LED overhead lights
- Fan

GALLEY AND LAUNDRY EQUIPMENT

The galley is located just forward of the dining area, to port, accessed through a privacy pocket door. The galley has an entry door from the deck for provisioning and crew access. Forward the galley are stairs leading to the crew quarters, below forward.

- Dumbwaiter to main deck, upper deck, and sun deck
- Large double SS sink with spray head
- (4) Custom-made built-in wall freezers
- (4) Custom-made built-in wall refrigerators
- Undercounter refrigerator
- Oven - Miele wide oven 90cm with tier and perfect clean model H2890B
- Range- 5 burner induction range with SS fiddles
- Giga custom SS range hood with light and variable speed exhaust fan protected via a CO2 fire suppression system
- Trash compactor
- Dishwasher
- Wood flooring (2023)

Laundry Equipment

- Located forward in the crew area to the port side
- (2) Miele Professional clothes washer
- (2) Miele Professional clothes dryers

OWNER SUITE

The full beam master is located forward on the main deck. It is entered from the starboard side main guest entry foyer, through an office area, which also houses a 2nd closet. The master cabin features a chaise lounge, a round table with seating for 2, and spacious full-height windows.

- King berth arranged off the forward bulkhead with storage underneath and upholstered headboard
- End tables
- Side reading lights
- Large windows port and starboard
- Window treatments with blackout shades
- LED overhead and recessed ambient lights
- New designer carpet (2023) – cream color
- Drawer storage
- Round table with 2 chairs
- Chaise lounge
- Olivari stainless steel door handles
- Large walk-in closet, second closet in the office area
- Flat Screen Samsung LED TV with BEST iPad touchscreen integrated control
- Overhead speakers
- HD satellite receiver

His and Her Ensuite (mirror image)

- Both with large walk-in rain steam shower with marble floor and walls, ss fixtures and glass entry doors, seat in shower
- Private W.C. area with door
- Pocket doors
- LED overhead lights
- Oval Villeroy & Boch sinks
- Zucchetti sink fixtures

Office

- The office area has a pocket door for privacy to the sleeping area
- Desk
- Window with shade
- Outlets
- Wood flooring
- Closet

GUEST ACCOMMODATIONS

From the starboard entry foyer, there are stairs leading down to the guest foyer with four staterooms. Two are Queen berths and two are twin staterooms + Pullman in each.

Queen Guest Staterooms - (2) Below Deck

There are two staterooms with queen berths that are identical.

- Queen berth with storage underneath
- Reading lights
- Closet storage
- Large window with shades and blackout
- Samsung TV
- End tables
- Vanity desk with mirror
- New carpet (2023)
- LED overhead lights
- Private ensuite head with Villeroy & Boch oval sink
- Walk-in shower with rainhead, Zucchetti fixtures
- Stone floor in head
- Towel rod
- Hanging closet

Twin Guest Staterooms - (2) Below Deck

There are two twin staterooms that are identical, each having a Pullman berth (sleeps 3 in each).

- Twin berth
- Pullman berth
- Storage under berth
- Reading lights
- Closet storage

- Large window with shades and blackout
- Samsung TV
- End tables
- New carpet (2023)
- LED overhead lights
- Private head with Villeroy & Boch oval sink
- Walk-in shower with rainhead, Zucchetti fixtures
- Stone floor in head

- Marine Waste Treatment System: Tecnicomar approved marine sanitation device (6/2023 new)
- Day tank level sight glass with magnetic float
- Electric fuel transfer pump
- Alfa Laval fuel centrifuge
- Racor fuel separators
- Clean and dirty lube oil pump controls and indicator lights Fire bilge pump
- Folding SS sink

BATTERIES AND CHARGERS

- Service batteries replace in 6/2023
- Mastervolt house battery charger new 6/2023
- Main engine start batteries replaced 6/2023
- Mastervolt main engine battery charger new 4/2023
- Electronics batteries replaced 6/2023

- Mastervolt electronics battery charger new 4/2023
 - Emergency batteries replaced 6/2023
 - 24V DC battery
 - Mastervolt GMDSS charger new 7/2023
-

TANKAGE

- Fuel: 12,194 US Gal/ 46,158 liters amongst 5 integral tanks +1 overflow tank
 - Water Capacity: 1902 gal
 - Black Water tank: 4200 liters
 - Oil tank: (2) 440 liters each
 - Sludge tank: 260 liters
-

NAVIGATION AND COMMUNICATION EQUIPMENT

- Ships computer: Benetti BEST monitoring system
- Radars: (2) X band Furuno
- Plotter: Nobletec Navionics & C Maps
- Sailor 6222 VHF
- Sailor 6210 VHF
- Sailor 6301 MF/HF Radio
- Epson WF 7710 Printer & Scanner

- (2) 14" screens Cantalupi monitoring system
 - Gyro compass
 - C GMDSS Satcom Immersat
 - MTU Electronic Engine Controls
 - Apple Ships Computer
 - Thruster Controls: CMC electric 2 bridge wing stations
 - Northrop Gruman Sperry marine Type 2843 magnetic compass
 - Furuno NY700 Navtex
 - Furuno GP170 GPS
 - (3) 20" interchangeable screens
 - I-Bridge system
 - Navis AP3000 autopilot
 - Rudder angle indicator
 - (2) Wind controls
 - Furuno FA170 AIS
-

ENTERTAINMENT EQUIPMENT

- Best by Benetti on iPad
- Apple TV
- Satellite
- Sound System
- Surround sound
- Lighting

- Pre-loaded iPod

The inside of the garage door is finished in a teak overlay, as it forms the swim platform when lowered.

- Garage door
- Personal watercraft trolley and winches
- Diesel fuel fill hose with nozzle
- Fire alarm call point
- Icemaker
- Storage for dive gear, water sports, etc.

BROKER COMMENTS

The current owners have cruised “Wabash” in Florida, the Bahamas, the Caribbean, and Europe interspersed with selective chartering. Offering a versatile 6 cabin (plus crew) layout, this yacht has been constantly upgraded

and shows very well. She has benefitted from a recent, extensive 9-month mechanical refit, which included a new top-of-the-line air conditioning plant, service, overhaul or replacement of an extensive list of mechanical equipment, 5-Year Class special survey, top-end of both generators, and overhaul of starboard motor. She is ready for her next owner to take her on more adventures immediately. Inspection is highly recommended.
