NO BAD IDEAS

130' Westport MY
Deck Plans .2105

Layout

OVERVIEW

NO BAD IDEAS represents an incredible opportunity to purchase a 130' Westport that has benefited from not only a refit but a complete redesign. Concluded in late 2021 at Bradford Marine, this refit included dramatic exterior modifications such as a 10' sun deck extension with stainless steel stanchions and glass inlay, new Pipewelders hard top and mast, redesigned aft, bridge and sun decks, updated zero speed stabilization, and complete paint respray. Inside, NO BAD IDEAS benefits from a complete custom interior designed by A La Mer, Inc. to include all new furnishings and fabrics throughout (carpet, wall coverings, soft goods), all woodwork refinished, new stonework, full LED lighting refit, and complete audio/video overhaul by AHT Marine. NO BAD IDEAS offers the best layout of any 130' Westport, and with her attentive owner and crew, has had the best care possible, making her a must-see for anyone in the market for a tri-deck in this size range.

Key Features

- Complete refit of exterior and interior carried out at Bradford Marine in 2021
- Repainted 2021
- Zero-speed stabilization
- Full A/V overhaul completed by AHT Marine
- All new navigation equipment 2021
- Excellent charter history

WALKTHROUGH

Welcome to NO BAD IDEAS, an exceptional 130' Westport with recent upgrades that give her the equipment, décor, and feel of a new yacht. Entering from starboard one will reach the formal foyer with a beautiful marble floor. Going aft from the foyer you'll find a formal dining area for 10 guests and then a spacious main salon with beautiful new furnishings. The main salon and dining area have ample storage and serving areas.

Forward to port is the state-of-the-art galley with professional appliances, ample storage, and granite countertops, featuring a newly designed stew pantry forward. Further forward is the on-deck master stateroom featuring a centerline king-size bed with a new high-quality mattress and upholstered headboard. The master has a desk, settee, ample storage, drawers, and a walk-in closet. The master his and her bathroom has marble tile, a glass-enclosed shower, and additional drawers and closets.

Mid-ship stairs lead down to the four guest staterooms located just off the foyer equipped with laundry facilities. Below one will find two VIP cabins with king berths and two guest cabins with twin berths which are able to be joined to make kings. Each stateroom is elegantly decorated and has an ensuite head with an enclosed shower. All décor and mattresses are new.

From the formal foyer, one will go up a spiral set of stairs to the upper landing that will take one aft to the sky lounge or forward to the pilothouse. The pilothouse has raised semi-circular seating for all guests to enjoy the view while cruising, updated navigation equipment, captain's office, and communications.

There are walkaround side decks with pilothouse entry doors, and a staircase centerline going forward down to the foredeck where there is a large circular jacuzzi tub.

Aft from the upper landing one will pass a dayhead and enter the large skylounge where you will find an L-shaped settee, bar with stools, game table, and large windows for incredible views. This is a beautiful area for entertaining or watching movies on the new 85" television.

Going aft from the sky lounge through a large sliding door one will enter the bridge deck aft which features a settee with chairs and table to port and a large bar to starboard with teak countertop, sink, BBQ, and large fridge, freezer, and ice maker. Forward of the bar are steps leading from the bridge deck to the newly designed sun deck.

The sundeck features a large centerline bar that is covered with the custom hardtop, built-in seating areas forward with storage under, teak tables, and chairs. This area converts to a 12-person dining table. Aft on the sun deck is a massive area with four adjustable chaise lounges with sail shades above.

The beautiful and spacious aft deck features a large teak rectangular table that seats 10 guests and a built-in settee aft with a table and occasional chairs. There is a full walk-behind bar to port and forward equipped with a refrigerator, ice maker, and storage for drinks and serving. The bar has 3 bar stools and a large TV behind. All are protected by the aft deck overhang. From the aft deck, one can go up to the upper deck and skylounge or down a set of stairs on either side to a large swim platform that makes for easy access to the water for swimming or water sports.

UPGRADES AND UPDATES 2020/2021

SALON AND DINING AREA

- Stainless steel automatic glass door
- Spacious L-shaped sofa
- Coffee table
- Cocktail table
- (3) Large lounge chairs
- Buffet storage forward to port
- 65" Samsung LED TV
- Nexus pop-up TV lift
- Marantz receiver, Snap AV watt box, Sony 4K Blu-ray player, Roku Plex
- Large custom dining table that accommodates 10 guests
- Storage area forward of dining table

DAY HEAD

- Marble vanity top
- Marble flooring
- Headhunter Royal Flush hydro vac toilet

ACCOMMODATIONS

Master Stateroom

- King berth with 2-drawer storage underneath
- (2) Nightstands with drawers
- Walk-in wardrobe lined with cedar
- Settee/sofa
- (2) Dressers
- (2) Reading lights 110V
- Digital wall safe in walk-in closet
- Built-in desk with chair
- 65" Samsung LED TV
- Marantz receiver
- Crestron controller
- Roku Plex player
- Snap AV watt box
- Sony 4K Blu-ray player

Master Head

- Beautiful walkthrough head featuring a large centerline shower with dual entrances
- Port side vanity, mirror, and sink, upper and lower storage
- Headhunter toilet
- Starboard upper and lower storage cabinets and sink

Port VIP Stateroom

- King berth with 2-drawer storage, bed lifts with gas shocks
- Wardrobe lined with cedar
- (2) 3-drawer nightstands
- Entertainment center with Samsung 32" LED TV, Sonos music streaming, Marantz receiver, and Snap AV watt box

Port VIP Head

- Frameless tempered shower door
- Vanity and sink with marble countertop
- Marble floor
- Drawer and cabinet storage
- Headhunter toilet

Starboard VIP Stateroom

- King berth with 2-drawer storage, bed lifts with gas shocks
- Wardrobe lined with cedar
- (2) 3-drawer nightstands
- 32" Samsung LED TV
- Sonos music streaming
- Marantz receiver

Starboard VIP Head

- Frameless tempered shower door

- Vanity and sink with marble countertop
- Marble floor
- Drawer and cabinet storage
- Headhunter toilet

Port Guest Stateroom

- Side-by-side double berths that convert to a queen berth
- (3) Drawer movable nightstand
- Wardrobe
- Entertainment center with Samsung 32" LED TV, Sonos music streaming, and Roku Plex Player
- Apple mini-iPad

Port Guest Head

- Full shower
- Vanity and sink
- Storage drawer
- Headhunter toilet

Starboard Guest Stateroom

- Side-by-side double berths that convert to a queen berth
- (3) Drawer movable nightstand
- Wardrobe
- Entertainment center with Samsung 32" LED TV, Sonos music streaming, Marantz receiver, and Snap AV watt box

Starboard Guest Head

- Full shower
 - Vanity and sink
 - Storage drawer
 - Headhunter toilet
-

CREW QUARTERS

Captain's Stateroom

- Custom full-size berth with drawers below
- 110V AC recessed room lights
- 12V DC reading lights
- Duette blinds
- Dresser
- Desk
- Clear dressing mirror on the wardrobe door
- Wardrobe lined with aromatic cedar, automatic light, stainless steel closet rod, and cedar shelf with keeper
- Samsung TV with RII remote
- (2) 21" Samsung monitors for chart plotter and CCTV
- B & G Hydra 2000 wind/speed display

Crew Quarters

- (2) Cabins with upper and lower twin berths

- (2) Samsung 32" TV

Crew Lounge

- Upholstered built-in settee
- Sharp carousel microwave oven
- (2) Undercounter refrigerators
- Frigidaire stackable washer and dryer
- Stainless steel sink
- Corian Sierra Aurora tops
- Samsung 32" QLED TV
- ICOM IC-M602 VHF
- Marantz stereo receiver
- Roku Plex player

Captain / Crew Heads

- Vanity
- Wall mirror and medicine cabinet with built-in mirror above vanity
- Custom molded fiberglass shower with Grohe fixtures
- Linen locker
- 110V AC recessed room lights
- Headhunter Royal Flush hydro vac toilets

MECHANICAL EQUIPMENT

- (2) MTU/DDC 12V4000 Engines rated at 2735hp
- Engine hours: Port 6,319; Starboard 6,214 (Oct 2023)
- (3) DDEC Controls stations and DDEC Synchronizer, conventional wet exhaust 10" bypass and underwater exhaust, twin disc shallow case marine gear 2.5:1 ratio
- (2) 65kW 1800 RPM Northern Lights generators with hydro elastic mounts and secondary Barry control mounts, sound shields, water lift mufflers,

exhaust water separator and water temperature, oil pressure, and hour meters installed on panels near generators, both gens have remote start/stop in the pilothouse

- Generator hours: Port 12,355 □ Starboard 12,324 hours (Oct 2023)
- Magna electrical conversion system
- 50/60 Cycle shore power converter
- Alfa Laval Fuel Filter System
- 220V 2HP compressor with inline water separator and regulator
- 16" Wesmar bow thruster, 50hp dual prop hydraulic with three station controls
- Fuel fills port and starboard with vent pipes vented overboard for fast filling
- Electronic monitoring system for alloy aluminum fuel tanks
- Fuel transfer pump with flow meter and timer
- Fire suppression system with manual/automatic controls
- #420 Naiad stabilizer system – zero speed
- (3) Exalto SS Pantograph wipers with delay circuits and freshwater washdowns
- (13) Remote-mounted bilge pump system with manual/automatic switches and VIC alarms
- 10 Sq Ft Cast Urethane foil-shape rudders with 4" Aquamet 22 HS stocks
- Tides dripless packing boxes with spare seals
- Aquamet shafts
- Cast bronze foil shape vee struts
- All thru hulls bonded and connected to transom zincs and shaft wipers
- Zinc anodes installed on the hull at the transom and secured on SS studs and tied to the bonding system, shaft zincs included
- 30-ton chilled Water System with air handlers in the salon, pilothouse, galley and all staterooms, crew area, and bridge deck lounge

- Jastram CCO commercial-grade power steering

Control Room

- Located forward of the engine room includes pumps, machinery, main electrical distribution, spare parts storage, desk, and sound door to the engine room
- Toolbox with tools
- Storage cabinets
- Workbench with 4" vise

PLUMBING

- Aluminum water tanks with interior epoxy coating
- (2) FMI MAX watermakers
- (2) Aqua-Pure water filters
- (2) 220V AC pumps
- (2) Holding tanks
- Hot and cold water shower in the swim platform area
- Freshwater wash-down with quick disconnects on the foredeck, boat deck, and swim platform
- (3) Gray water transfer boxes fitted with screen, supply, and discharge lines for all showers and sinks (except the main galley)
- (2) Hot water tanks (40 & 50 gallons)

ELECTRICAL EQUIPMENT

- Newmar battery chargers
- Phase-Three 24V 95 amps for 24V systems
- Newmar Phase-Three for main engine batteries 24V 95Amps
- Newmar Phase-Three 12C 80Amps for 12V ship's systems
- Newmar Phase-Three 12V 40Amps for 12V gen batteries
- (2) 100 amp Three-Phase shore feeds
- 100 amp 100' Glendenning cablemaster cord
- Pigtails or 480V

SAFETY AND FIRE PROTECTION

- (2) 16-Man Revere life rafts
- (1) 6-Man Revere life raft
- (2) Ring buoys secured on the exterior of the vessel
