No. of Berths: 8

No. of Heads: 8

Crew cabins: 8 cabins for up to 14 crew

Vessel Overview

Delivering the utmost opulence within wide, open spaces and meticulous detail, the SKYFALL yacht for sale is an unexpected superyacht that over delivers. Accommodating 12 guests in 6 generously sized staterooms, her amenities match the level of 5-star resorts.

A contemporarily styled interior features select materials and plush furnishings, while giving guests an array of areas to gather, relax, dine, and entertain. Her 3,707 square feet of exterior deck spaces give way to the ultimate enjoyment at sea, with a vast sun deck, al fresco dining options and panoramic views that stretch beyond the imagination.

INTERIOR SPACES

A blend of woods including Honduran mahogany, European maple burl, Australian Lacewood and Wenge come together to create an atmosphere of warmth and richness. Fine details such as a humidor and wine cellar assure that every taste is met. Ideal for entertaining, the main deck salon features a grouping of sofas and armchairs ideal for conversation, while just forward is a formal dining area with a long, rectangular table. Opposite this wall is the galley, where the chef prepares bespoke plates and from which the crew deliver easy service.

To starboard of the galley lies a grand foyer with a masterful staircase that leads up or down. Exquisite detail can be seen on the banister and the book-matched marble flooring in this area that was created with care. Moving all the way forward is the private master stateroom. One level up, the skylounge is the perfect respite from the outdoors, and is a welcoming space with a sofa, games table, and large bar.

GUEST ACCOMMODATIONS

Located on the main deck forward, the master suite offers a level privacy only matched by the incredible 180-degree views that can be taken in from the bed. A separate lounge area features a large sofa, and a private office boasts a large window. His-and-hers en suites are generous, with marble accents throughout, a walk-in shower and a large spa tub.

The remainder of the staterooms are located on the lower deck, and are made up of one VIP, three (3) queen cabins (one of which is wheelchair friendly), and a twin, which can be converted into a double. Each is graced with its own en suite and entertainment system and offer much storage for incidentals. An elevator services all decks, including the lower deck, where the accommodations are located.

Vessel Overview (cont.)

EXTERIOR DECKS

The sun deck is a playful area with a Jacuzzi and a separate plunge pool that is ideal for sunbathing. Sunpads for lounging, sofas for socializing, a bar, built-in BBQ grill, and a large table for light dining make up the generous space that is topped off by a touch-and-go helipad that doubles as a basketball court. The bar sits under coverage and offers stools to sit and sip drinks. The raised Jacuzzi is surrounded by sunpads, and forward of the plunge pool, an intimate seating area is perfect for enjoying a cocktail and taking in the sweeping views.

The upper deck is a vast area where aft, many al fresco meals are taken and enjoyed in a panoramic setting. A gathering of loose furnishings here makes up the ideal spot for an after-dinner cocktail and some conversation. All the way forward on this deck is a large seating area where guests can take in the views while underway. From the main deck aft, which boasts a collection of seating options, guests can access the full-beam swim platform.

TOYS AND AMENITIES

The superyacht boasts a large array of water toys for guest enjoyment from the oversized swim platform. At present, there is a working space in the lazarette, with the potential to be converted into either a beach club or a gym by the new owner. A Williams Jet Tender is great for quickly ushering guests to shore or to a secluded bay. The array of toys includes Sea-Doo's, an electric surfboard, paddle boards, water skis, a trampoline, inflatables, and so much more.
