SPECIFICATIONS

General

AMI is a recently built Sanlorenzo SX112, delivered in July 2023 with a high specification. This superyacht offers a unique chance to acquire a pedigree vessel without a long waiting period. With a length of 34.16 meters, Sanlorenzo's SX112 model emphasizes the connection with the sea, featuring a white hull and superstructure.

Notable features include a spacious beach club at the stern with fold-out platforms, an enclosed gym area, a day head, and a sea-level sauna. Accessible from both the main and lower decks, the beach club won recognition at the 2021 World Superyacht Awards.

AMI accommodates up to 8 guests in four cabins, with the master suite and three guest cabins on the lower deck. Additionally, there are three cabins for up to five crew members.

The yacht's Italian craftsmanship is evident in its attention to detail and high-quality materials.

AMI offers impressive performance with a fast displacement hull, four Volvo IPS 1350 engines, a top speed of 23 knots, and a comfortable cruising speed of 20 knots. Stabilization systems and lithium batteries ensure quiet and efficient anchoring for up to eight hours.

In summary, AMI is a stylish, luxurious, and high-performing yacht, suitable for discerning buyers seeking a combination of style and function. AMI is readily available for ownership, providing an excellent opportunity for those looking to enjoy a new yacht for the upcoming summer season.
