

SOFIA 3

42.75M (140'26") | BAGLIETTO | 2008/2025

THE PERFECT BALANCE BETWEEN DESIGN AND COMFORT

Designed by Francesco Paszkowski, this 42.75m Baglietto is a stunning example of an incredible level of quality from this renowned Italian yacht builder. SOFIA 3 is presented in pristine condition, featuring a fully renovated interior and a fresh exterior paint job completed in 2024. Powered by twin diesel Caterpillar engines, she comfortably cruises at 14 knots, reaches a maximum speed of 15.5 knots with a cruising range of up to 4,000 nautical miles. SOFIA 3 features a modern NAIAD dynamics stabilization system to reduce roll motion even during rough seas, and provide exceptional comfort levels even at anchor.

WELCOME ON BOARD

SOFIA 3 is built with a steel hull and aluminium superstructure, with teak decks. The yacht boasts a stunning jacuzzi located on the sundeck, providing a truly perfect vantage point for taking in breathtaking views and enjoying cocktails. The foredeck accommodates a spacious sunbathing area, ideal for indulging in leisurely moments of relaxation and extended idleness. SOFIA 3 features a hydraulic swim platform ideal for the effortless launch of a variety of water toys available on board - guaranteeing entertainment for both adults & kids.

INTERIORS

The brand new Zen-inspired interior of SOFIA 3 was developed by Susanna and Diego from La Mandragola Design and is styled with attractive designer furniture, creating a chic, warm and contemporary ambiance. The main salon includes a comfortable lounge area and open dining room for 10 guests. State-of-the-art technology including a retractable flat screen television, ideal for movie nights at sea, ensures that entertainment is to the highest standard.
