ACCOMMODATIONS

This exceptionally maintained 90 Argo is in impeccable condition and offers spacious accommodation for eight guests. The arrangement comprises an on-deck master suite, a VIP double, and two guest cabins that can be configured as double or twin berths. Each stateroom features an en-suite.

LOWER DECK:

Forward of the dining area is a winding stairway with stainless handrails and glass siding that leads to the lower guest foyer and staterooms. Aft of the stairs is the full-beam VIP with a centerline, sole leather upholstered queen bed with drawers for storage. Forward of the stairs are two double cabins that can be converted to twin beds. Each guest room is faceted with modern furniture, a 32' TV and entertainment system, ample closet space with additional storage under the beds, and an en-suite. All guest bathrooms feature Calcatta Austale marble floors and sinks.

MAIN DECK:

On the main deck, a large frame supports the superstructure and runs around the outside of the full-height glass windows. The spacious lounge covering almost 40m² is open to the sea and reaches heights of over 2.1 m. It is furnished with two lounge chairs, an L-shaped sofa, and a retractable TV. Beyond it is the formal dining area, with a large table and seating for eight guests. A special touch is added by incorporating a panoramic balcony on each side near the windows.

OWNER'S STATEROOM:

Forward of the guest stairway, owners are welcomed into their on-deck suite with large windows that allow natural light to beam through on both sides. Centerline is a queen-sized bed, framed in sole leather upholstery and stainless-steel polished details with a bed lifting system to allow for additional storage underneath. Lacquered nightstands with doors in sole leather and a glass top sit on each side of the bed. Matching storage furniture and large vanity is located on the starboard side along with a wardrobe with a mirror and ample space. The en-suite is set with Calacatta Australe Marble and his and her sinks, with lacquered walls.

FLYBRIDGE DECK:

Access to the flybridge is up the stairs from either the aft deck or pilot house. A second fibreglass varnished control station with up-down system for forward display, upholstered steering wheel, instrumentation, compass, and alarm lights sits forward near the pilot house entrance. An additional dining table and L shape sofa with upholstered cushions, two helm chairs, and floating furniture aft provides substantial space for entertaining. Side cabinets with electric opening system top, equipped with sink, 24V refrigerator, storage, and electric grill are located opposite the dining table.

CREW ACCOMMODATION:

The crew area is accessed from the main deck galley. The crew mess features an L-shaped sofa, teak table, and crew kitchen. There are two crew cabins with pullman bed and private heads for a total of 4 crew berths.

GARAGE

The aft garage features an electrohydraulic platform. She houses a Williams Sport Jet 395 as well as a SeaDoo Spark Jet Ski
