# THE EPITOME OF INNOVATION & CRAFTSMANSHIP

---

The 32.83m/107'9" raised pilot house yacht Ferretti Custom Line 106' Navetta CIAO M was built by Custom Line in Italy at their Ancona shipyard in 2023. Constructed with a GRP hull and GRP superstructure, with teak decks, she has impressive speed and great efficiency thanks to her planing hull. This model features a timeless design defined by sophisticated simplicity and her sturdy bow assures best-in-class stability and seaworthiness. Powered by twin diesel engines, she comfortably cruises at 23 knots, reaches a maximum speed of 26 knots with a range of up to 450 nautical miles from her 14,700 litre fuel tanks. She is equipped with a Electro-hydraulic stabilising fins, underway and zero speed - standard/Gyroscopic stabilisers -option stabilisation system which reduces roll motion effect and results in a smoother more enjoyable cruising experience underway. This CL 106 represents a great investment and rare opportunity on the market, ready to go now!

# WELCOME ON BOARD

---

This Custom Line 106 is the 14th hull constructed by Ferretti Group and is extremely special, considered to be one of the stars of the Custom Line planing range. A new horizon in yachting excellence, with clean, crisp lines and palatial spaces of essential sophistication, she offers unsurpassable comfort for her new owner. CIAO M's exterior and interior design is the work of Francesco Paszkowski Design, pristinely decorated and loaded with additional features. The surfaces are interconnected like a sculpture, crafting a fluid sequence of volumes running the length of the yacht. The stern vaunts a refined, clean-cut aesthetic, while the designers have dreamed up some larger, complementary spaces to relax and rest in further forward. The bow is linked to the flybridge, protected by two side windows and featuring a standard hard top with paired skylights – an exclusive area for admiring the wonders of the sea stretching out in all directions.

# INTERIORS

---

CIAO M's interior is styled by Italian designer design house Francesco Paszkowski Design and features timeless styling, beautiful furnishings and sumptuous seating feature throughout creating an elegant and comfortable atmosphere. The interiors make use of a neutral colour palette in shades ranging from grey to various tones of beige, bronze and golden brown, amplifying the natural light filtering in through the yacht's large windows. Meanwhile, two-metre-high ceilings add to the feeling of space on board. The furnishings and decor included throughout the yacht were designed according to the owner's wishes, and showcase materials such as Calacatta Oro Vagli marble, leather and matte lacquered wood.
