

MAORI 46

14.2M (46') | MAORI YACHTS | 2025

STRIKING IN POWER AND DESIGN

From its sleek lines and contemporary aesthetic to its exceptional craftsmanship and luxurious amenities, the Maori 46 stands as a testament to the artistry and engineering prowess of its creators. Whether embarking on a leisurely coastal cruise or navigating challenging conditions, this extraordinary yacht offers an unforgettable experience for discerning adventurers seeking the pinnacle of nautical excellence. Boasting a pair of twin inboard 725hp engines, combines stability with spaciousness, making it the quintessential day boat for the discerning owner-operator who appreciates both performance and the art of entertaining. Crafted with the owner-operator in mind, the Maori 46 seamlessly integrates intuitive controls and ease of handling.

WELCOME ON BOARD

Designed by Marco Ciampa, Maori Yachts are renowned for their exceptional design and craftsmanship, and the 46 is no exception. Every detail, from the sleek lines of the hull to the luxurious finishes in the cabin, reflects the dedication to creating a yacht that is as aesthetically pleasing as it is functional. Keeping the same shapes as the 54ft, the 46ft makes every sea trial an unforgettable experience. With an intelligently designed layout, every inch of this yacht is dedicated to providing an exceptionally spacious environment. The spacious deck areas provide the perfect backdrop for hosting friends and family, with ample seating, sun lounges, galley and dining spaces.

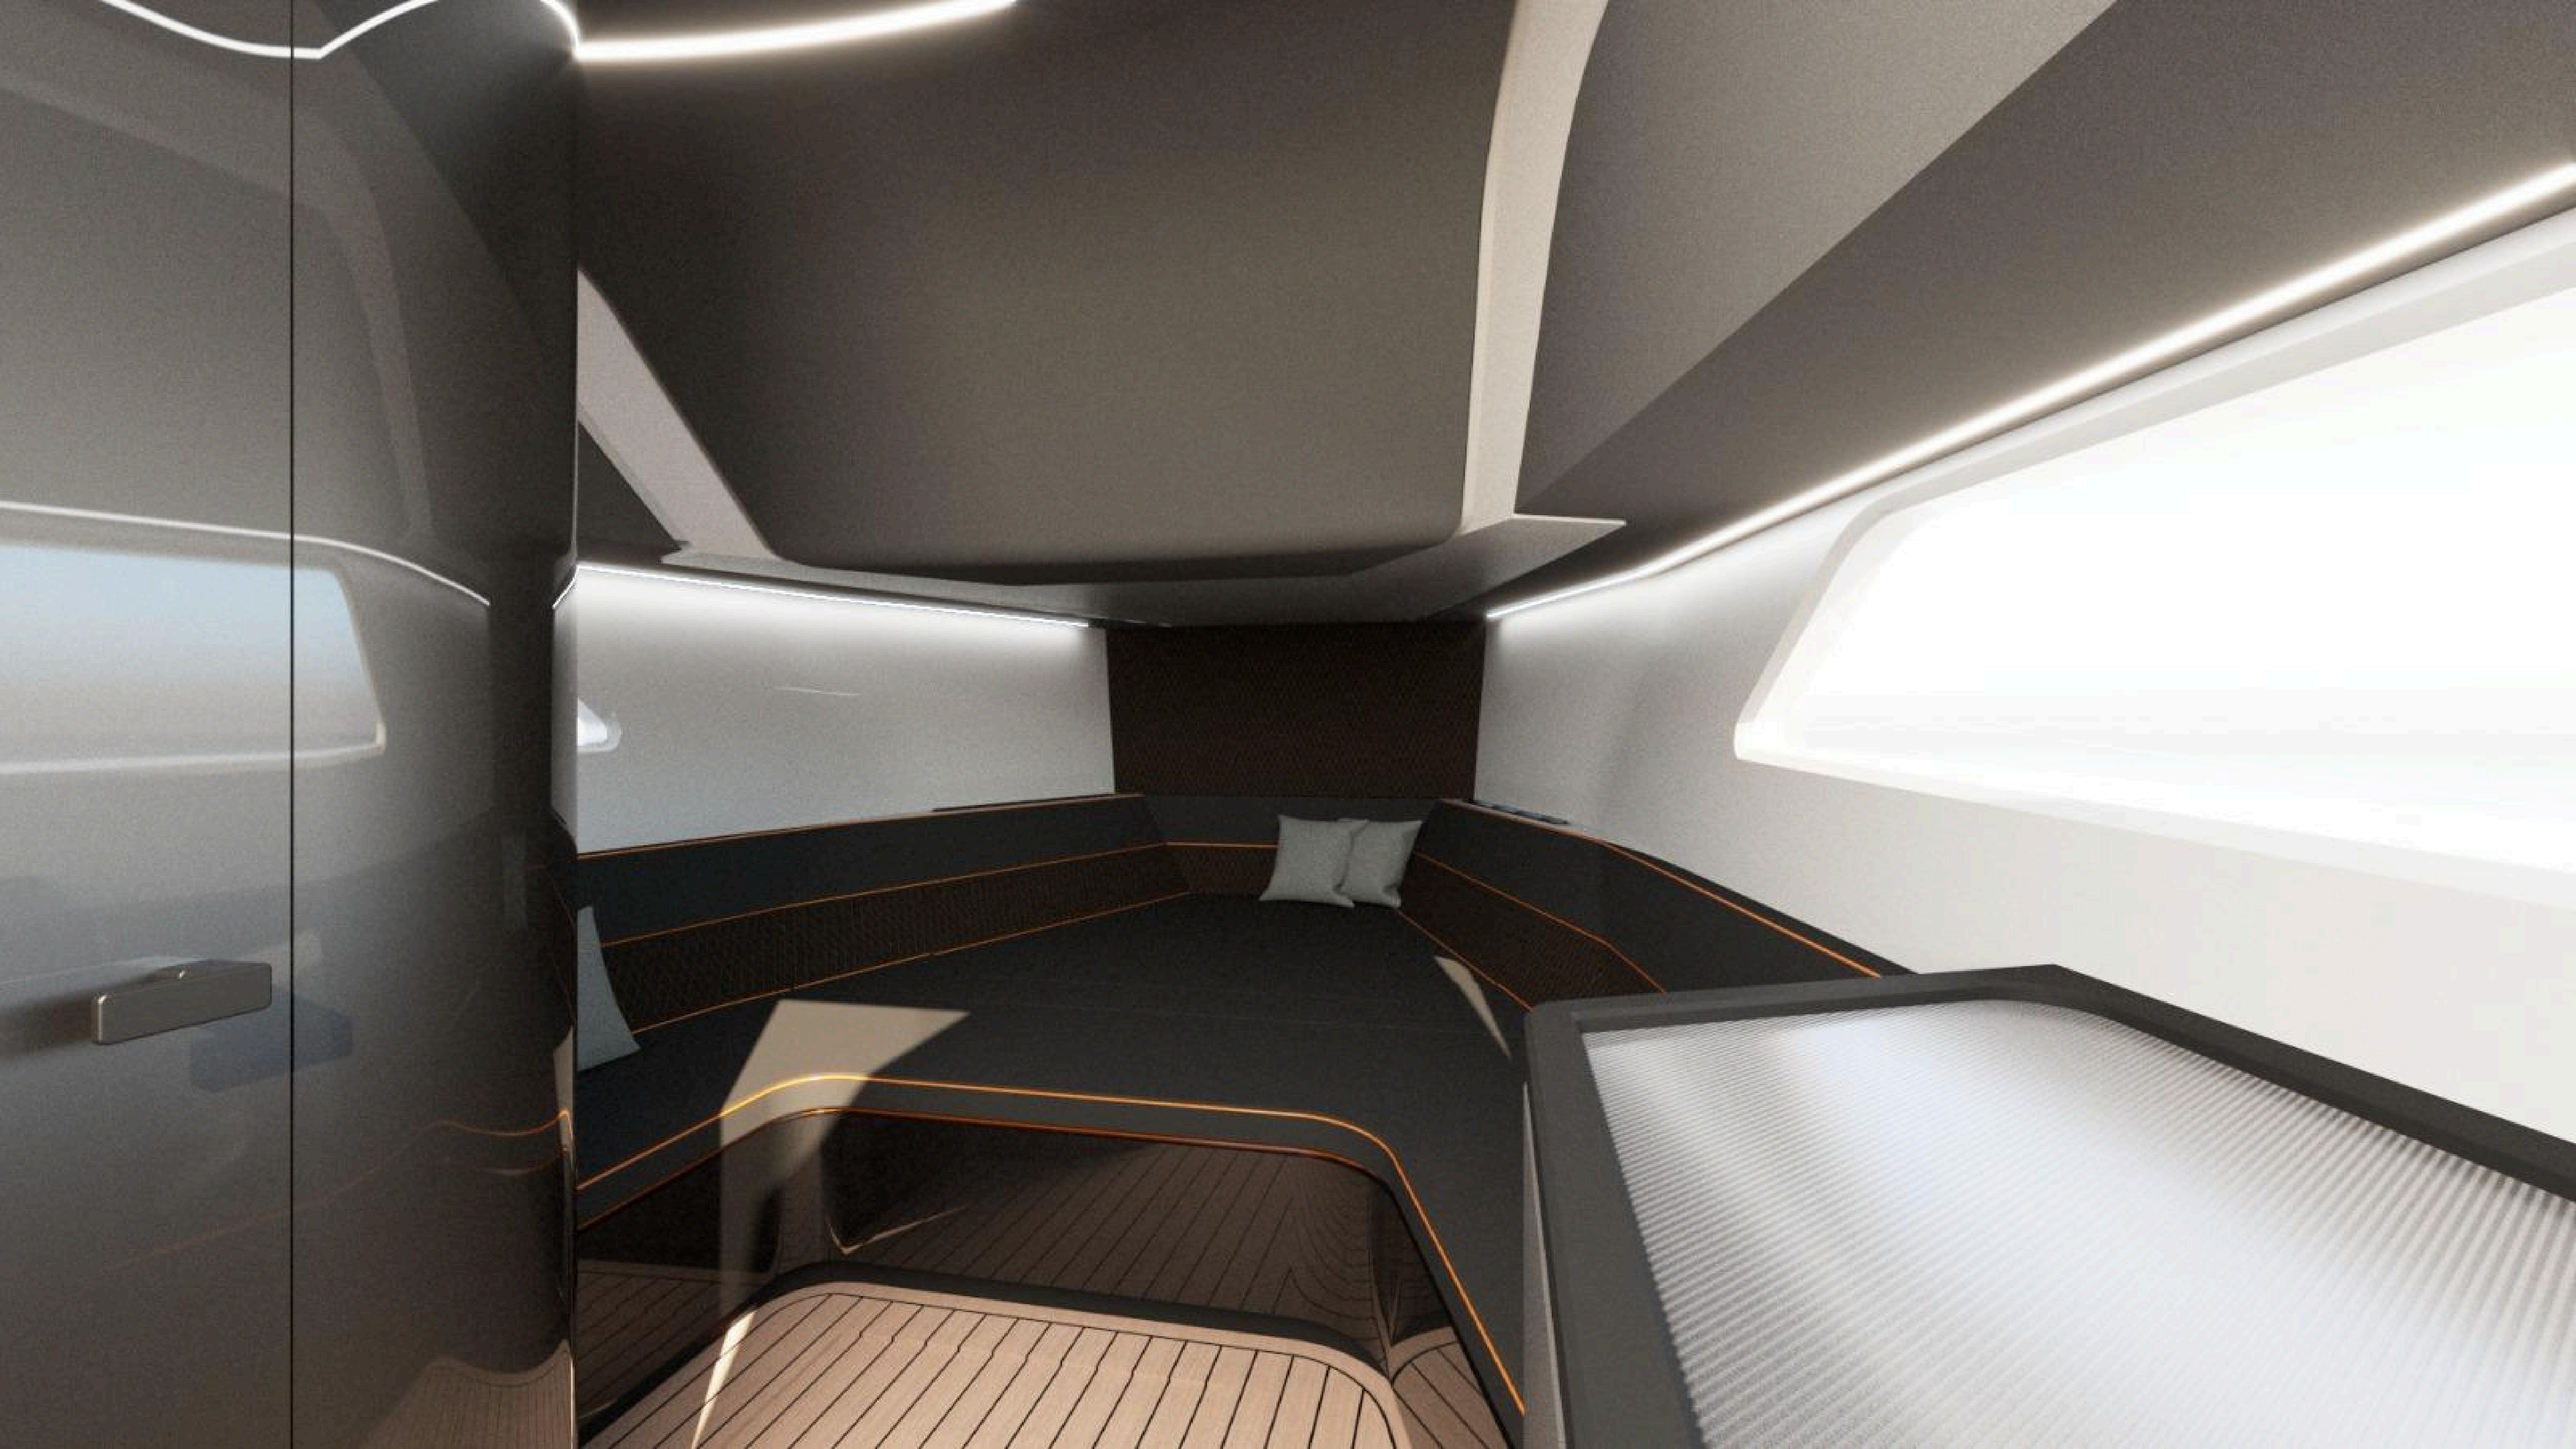

INTERIORS AND ACCOMMODATION

The exquisitely furnished deck where one can lounge as they absorb their surroundings, lies the main cabin furnished for optimal comfort, boasting a spacious bathroom and twin convertible berth . The space is completely customisable with the option of an additional sleeping quarter if required. One can even opt to get the 46ft in an outboard version.
