## **Overview**

**\*Available for showings during the upcoming 2025 Miami International Boat Show. Don't miss out on the opportunity to own the only 2018 year model Pershing 82 VHP available to the US market and one of the last VHP's produced. AFRICAN WILD DOG just completed a recent yard period including Superstructure paint and shows in impeccable condition!\***

- This limited edition 2018 Pershing 82 VHP "AFRICAN WILD DOG" is a breathtaking combination of avant-garde design, cutting-edge technology, and performance. The vessel embodies the finest Italian craftsmanship and represents the epitome of luxury at sea. It is the perfect marriage between high-speed thrills, graceful aesthetics, and opulent comfort.
- AFRICAN WILD DOG's design allows it to slice through water with incredible ease, delivering a thrilling high-speed experience all while maintaining a steady deck underfoot. The powerful MTU 16V 2000 M96L engines can generate impressive speeds making it not just a luxury oceanic condo, but an adrenaline-pumping speedster as well.
- The yacht's deck is fitted with comfortable, alfresco seating areas, perfect for enjoying the surrounding sea views or for hosting convivial gatherings. The aft deck, bow and flybridge provide ample space for sun loungers, where guests can enjoy basking in the sun during the day and stargazing at night.
- The interior of AFRICAN WILD DOG has been meticulously designed to offer unrivaled luxury and comfort. There is a seamless fusion of modern, minimalistic design and comforting, cozy spaces. The main salon is bathed in natural light, courtesy of the wide windows, allowing passengers to enjoy panoramic views of the ocean all day long while the lower lounge/theatre room creates the perfect cozy atmosphere to watch your favorite film. With accommodations for up to 7 guests, the staterooms are spacious havens outfitted with plush beds and private en-suite facilities.
- With regards to technological features, the boat employs an advanced steering system, a fully integrated navigation system, and a state-of-the-art propulsion system – all designed to make the yacht easy to maneuver, even at high speeds.
- The fully equipped galley, allows for preparation of gourmet meals at sea. Additional features include a hydraulic garage door on the swim platform, perfect for storing and launching water toys for the adventure seekers.
- Overall, AFRICAN WILD DOG offers an unrivaled nautical experience. Whether it is the high-speed performance, the elegant design, or the luxurious comfort onboard, this spectacular vessel represents a unique synthesis of style and substance. This is a unique opportunity to own one of the last Pershing 82 VHPs produced.

### **Communication & Navigation Equipment**

- FURUNO TZT Navigation pack
- NAVIOP display
- Built-in autopilot
- Chartplotter (2)
- Compass
- VHF radio
- Echo box with 1Kw in-hull transducer
- Digital LCD engine control panels (2)
- Engine room remote camera on plotter screen
- Telephone interface GSM/Voice/Fax
- Satellite antenna KVH HD7 including decoder
- Starlink - added 5/2024
- Full security system with cameras and GPS tracking - added 6/2024

### **Electrical Equipment**

- Upgraded 25kw ANG Converter
- Battery cutoffs
- Battery charger: Engines
- Battery charger: Generators (from services batteries)
- Breaker box for American shore power
- Earthing system all along the hull joined to the anodes protection (zincs) on the transom
- Emergency parallel connection between service batteries and engine starter
- Engine starter battery (4)
- Generator battery charger (2)
- MTU LCD digital panels for engine room control (2)
- Parallel connection between generator batteries
- Power generator starter battery (2)
- Service battery (12)
- Service battery charger
- American sockets 120V, double in each box

### **Mechanical Equipment**

#### **Mooring Stations:**

- Windlass 2700 W with waterproof control pad
- Capstan 1700 W with foot control (2)
- Basket chain
- Galvanized anchor and chain
- Upgraded fresh water tap in anchor locker
- Mooring LED lights

- Stainless steel mooring anchor roller and cleats
- Stainless steel fairlead with rolls
- Aft mooring camera

#### **Engine Room:**

- Upgraded MTU 16V 2000 M96L engines
- A/C Unit
- E/pump A/C
- Air intakes
- Air compressor 220 V 50 HZ
- Electric extractor (2)
- Engine exhaust muffler (2)
- Genset 23 kW 120/240V 60Hz (2) with sound shields
- Generator prefilter single type racor (2)
- Hydraulic oil heat exchanger
- Hydraulic steering oil tank
- Hydraulic unit for gangway swim ladder, garage hatch, sun deck stair and aft door
- Hydraulic unit for platform, trim tabs and steering
- Stainless steel engine exhaust riser (2)
- Thermal acoustic insulation
- Anti-slip aluminum flooring
- Waterproof camera interfaced with the bridge

#### **Fuel System:**

- Electronic fuel level remote indicator in dashboard
- Fuel decanter filter (2)
- Fuel sight gauge
- Manual fuel discharge/load drainage pump
- Structural GRP tank

#### **Fresh Water System:**

- Boiler 30lt electric (2)
- Fresh water pump with autoclave (2 - one t 24V and one at 240V)
- Glendenning + Glendenning remote control with switch
- Independent seawater intake for water maker with filter
- Shore fresh water intake with pressure regulator
- Watermaker
- Fresh water tanks flushed and cleaned 4/2024

#### **Sea Water System:**

- Bypass valve for emergency bilge discharge from engines (2)
- Dynamic seawater intake (2)
- Sea water basket filter for engines, power generators, A/C pumps, services and fire extinguishing system (5)
- Sea water outlet for chain wash and fire extinguisher in forward locker
- Static sea water intake (3)

#### **Grey Water System:**

- E/pump auxiliary tank discharge
- E/pump main tank discharge
- Manifold bypass for emergency grey and black water pump discharge
- Polyethylene tank (300 lt)

## **Exterior Paint**

- Awlgrip paint
- Hull color in Charcoal metallic grey

## **Safety & Security**

### **Fire Extinguishing System:**

- FM200 Fire Boy automatic/manual fire extinguishing system in the engine room
- Emergency engine shut down remote control
- Manual powder extinguishers (1 for each room)
- Smoke detectors: salon, galley, cabins, crew cabin

### **Bilge Systems:**

- Automatic/manual immersion E/pump for bilge discharge in each watertight compartment with level sensor
- E/pump with valve system for the separated or joint bilge system centralized suction
- Emergency engine room bilge system discharge through engines intake suction
