

ILMA

36M (118' 1") | AZIMUT | 2026

WELCOME ON BOARD

Welcome on board ILMA, a brand-new Azimut Grande 36M, where contemporary design and effortless comfort come together. Designed for guests who value space, light and a close connection to the sea, ILMA offers an exceptional charter experience defined by open living areas, panoramic views and seamless indoor-outdoor flow. Whether cruising the Mediterranean or relaxing at anchor, every moment on board is designed for pure enjoyment.

INTERIORS

ILMA's interiors are bright, elegant and perfectly suited to relaxed luxury living. Full-height, retractable windows flood the yacht with natural light and open the living spaces directly to the sea, creating an airy and welcoming atmosphere. The flexible layout allows for both informal lounging and refined dining, while the sky lounge seamlessly connects to the aft terrace, offering an ideal setting for socializing, entertaining or simply unwinding in style.

ACCOMMODATION

ILMA comfortably accommodates up to 12 charter guests in five well-appointed cabins, offering privacy and versatility for families or groups of friends. The full-beam master suite on the main deck features panoramic sea views through full-height windows, providing a peaceful and luxurious retreat. The remaining guest cabins include a mix of double and convertible layouts, all supported by a professional crew of six dedicated to delivering a discreet, personalized charter experience.
