

OCEAN DELTA 11

27.30 M (89' 7") | CANADOS | 2009 (2024)

WELCOME ON BOARD

Step on board OCEAN DELTA 11, a 27.4-metre Canados motor yacht combining Italian craftsmanship with strong performance and comfortable cruising. Powered by twin 1800hp Caterpillar C-32 engines, she cruises comfortably at 22 knots and reaches a top speed of 28 knots, making her particularly well suited to fast and efficient Mediterranean cruising. Seakeeper stabilisers, rarely found on a yacht of this age, enhance comfort both underway and at anchor.

MAIN DECK AFT

MAIN DECK AFT

Refitted internally in 2024, the yacht presents a noticeably more modern and updated atmosphere throughout. Exterior deck spaces are arranged to create a natural flow between lounging, dining, and social areas, supporting relaxed living on board throughout the day.

FLYBRIDGE

INTERIORS

Inside, OCEAN DELTA 11 offers a spacious and contemporary interior designed around comfort and practicality. The 2024 interior refurbishment introduced a cleaner and more modern feel throughout the main living spaces, enhancing both the atmosphere and overall usability of the yacht.

MAIN SALOON

Large windows bring natural light into the salon, strengthening the connection to the surrounding seascape while enhancing the sense of openness on board. The overall layout balances elegant styling with a relaxed and highly functional approach to onboard living.

DINING

DINING

The image shows a luxurious dining area on a yacht. In the foreground, a rectangular table is covered with a white tablecloth and is elegantly set for a meal. It features multiple place settings with white plates, silverware, and glassware. A single lit candle in a glass holder provides a warm glow on the table. Surrounding the table are several light-colored upholstered chairs. To the left, a long wall of windows is covered with horizontal blinds, through which a glimpse of the sea at night is visible. In the background, there are two L-shaped sofas with light-colored cushions and dark throw pillows. A low wooden coffee table sits in front of the sofas. The room is illuminated by a combination of recessed ceiling lights, pendant lamps with white shades, and decorative table lamps with textured glass bases. The ceiling is finished with a light-colored, textured material, and the floor is made of light-colored wood. The overall atmosphere is sophisticated and comfortable.

DINING

ACCOMMODATION

OCEAN DELTA 11 accommodates up to nine guests across four cabins, comprising a full-beam master suite, one VIP cabin, one double cabin, and one twin cabin. An additional sofa with a double bed allows accommodation for two extra guests when required.
