

# D2

13.02 M (4'7") | WALLY | 2023

The Wally 43 is one of the most recognizable models ever created by Wally, known for its minimalist Italian design and clean, contemporary lines. This 2023 example presents a rare opportunity to acquire a modern and exceptionally well-maintained yacht equipped with the latest onboard technology. Designed for owners seeking both speed and comfort, the Wally 43 combines sleek lines, a spacious cockpit, and contemporary interiors to create a distinctive and highly enjoyable onboard experience.
