

BELLA II

54.65M (179'4") | TURQUOISE | 2008 (2021)

WELCOME ON BOARD

Built by Proteksan Turquoise in 2008, BELLA II is a 54.65-metre motor yacht combining substantial interior volume with long-range cruising capability. Constructed with a steel displacement hull and aluminium superstructure, she offers 746 GT of volume and a range of 4,000 nautical miles. Powered by twin 1,750 hp Caterpillar engines, she cruises at 14 knots and reaches a maximum speed of 16 knots.

INTERIORS

Designed by Jean Guy Verges, BELLA II's interiors combine dark Wenge flooring with warm wood panelling, soft Italian leather and light furnishings. The impressive 100 sqm main salon features floor-to-ceiling windows, generous lounge seating and a strong connection to the surrounding views.

ACCOMMODATION

BELLA II accommodates up to 12 guests across six cabins, including a full-beam Owner's suite on the main deck. Featuring floor-to-ceiling windows, a private lounge, separate study, oversized walk-in wardrobes and direct access to the forward deck terrace, the suite offers an exceptional degree of privacy and independence.
